

NR1890DR 3-1/2" 18V Cordless Plastic Strip Framing Nailer

Includes:

- (1) Compact 3.0Ah Lithium Ion Battery BSL1830C (339782)
- Fast Charger (UC18YFSL)
- Contractor Bag (372294)
- Safety Glasses (875769)

Features:

- **Covered by Hitachi's Lifetime Lithium Ion tool warranty & 2-Year Lithium Ion battery warranty**
- **Unique Air Spring Drive System** that uses compressed air to drive each nail resulting in zero ramp up time, increased driving speed, recoil that feels like a pneumatic nailer and quicker response time between drives
- **Brushless motor** for longer run time per charge, less maintenance and increased durability
- **Powered by a Compact 3.0Ah Lithium Ion battery** that is 3/4" shorter and .6 lbs lighter than a conventional 3.0Ah battery for complete portability
- **Drives up to 400 nails per charge** using the compact 3.0Ah battery
- **Tool-less depth of drive adjustment** for a professional finish with varying materials
- **Power switch located on control panel** must be depressed for 1 second to activate the nailer and automatically switches off after 30 minutes of inactivity for added safety
- **Selective actuation on the control panel** transitions between sequential mode and bump fire mode, when rapid nailing is preferred
- **Battery charge indicator located on tool control panel** to easily check the available power in battery pack for less downtime
- **Ergonomically formed soft grip handle** provides comfort and ensures a secure hold
- **Dry fire lock out system** prevents nailer from driving when fasteners are low for added safety
- **Side lock trigger switch** located on handle, locks the trigger to prevent accidental firing when nailer is not in use
- **Pivoting rafter hook** for easy storage when nailer is not needed
- **21° magazine holds** approximately 37 plastic strip collated fasteners from 2" up to 3-1/2" in length
- **High & stable driving power** allows the nailer to drive 3-1/2" nails into even the toughest of engineered lumber with ease
- **Hardened claw tip** resists wear on the nose and minimizes slippage when driving at an angle or toe-nailing
- **Freedom from cumbersome air hose and compressor** saves time in setup, during applications and in jobsite clean up
- **No refilling of compressed air tank required** for low maintenance and long lasting durability
- **Easily serviceable** by your local Hitachi Authorized Service Center
- **Compatible** with all Hitachi 18V Lithium Ion slide type batteries
- **10.8 lbs and well balanced** for easy maneuverability

Specifications

Fasteners Plastic Strip Framing Nails

Fastener Length 2"- 3-1/2"

Fastener Diameter .113 to .131"

Fastener Head Round

Magazine Capacity37

Magazine Angle 21 degrees

Battery Type 18V Lithium Ion

Battery Amp Hour Compact 3.0Ah

Bactery Indicator Yes-On-Tool

No. of Batteries 1

Depth of Drive Tool-less

Motor Type Brushless

Driving Speed Up to 2 Nails/Sec

Nails per Charge Up to 400

Firing Modes Sequential/Bump

Weight w /battery 10.8 lbs

Tool Warranty Lifetime Lithium Ion

Battery Warranty 2-Year Lithium Ion

Charger Warranty 1-Year

Rafter hook Yes
