

CE18DSLP4 18V Lithium Ion Shear (Tool Body Only)

Includes:

- 3mm Hex Bar Wrench (943277)
- Thickness Gauge (949128)

Features:

- **Covered by Hitachi's Lifetime Lithium Ion tool body warranty**
- **Available as Tool Body Only (battery and charger sold separately)**
- **Tool body compatible** with all Hitachi 18V Lithium Ion slide-type batteries for added convenience and versatility
- **Max no-load speed of 5,300 RPM** allows for faster cutting
- **Reversible blades provide eight cutting edges** and require fewer blade replacements
- **Protector plate attached under the main body of the tool** protects the operator's hand from the cuttings
- **Externally accessible carbon brushes** for easier maintenance
- **On-tool battery charge indicator** monitors the status of the battery charge to reduce downtime
- **Soft grip handle** for improved comfort and less fatigue
- **Small grip circumference** for easier handling and control
- **Lock-on slide switch** for comfortable continuous use
- **Thickness gauge included** for use with various materials
- **3.5 lbs., (without battery)** to facilitate maneuverability and ease of use

Includes:

- 3mm Hex Bar Wrench (943277)
- Thickness Gauge (949128)
