

CV18DBLP4 18V Brushless Lithium Ion Oscillating Multi-Tool (Tool Body Only)

Includes:

- Bi-Metal Plunge Cut Saw Blade

Features:

- **Covered by Hitachi's Lifetime Lithium Ion tool warranty**
- **Features Brushless Motor Technology** for more run time, increased power and extended durability with essentially no maintenance
- **Accepts** Hitachi's 18V Lithium Ion slide-type batteries and corresponding chargers (sold separately)
- **Achieves an impressive oscillation speed** of up to 20,000 RPM with the use of the Brushless motor
- **Unique auto-variable speed mode** function delivers two modes of speed
- **Standard mode** is changeable from vibration frequency 1-5 (6,000-20,000 RPM) by adjusting the variable speed dial as needed
- **Auto-mode** allows the tool to determine the appropriate level of vibration needed based on the load- lowering vibration, reducing noise and increasing battery run time
- **Soft start** for user safety
- **Constant speed control** maintains speed under load to ensure maximum power is delivered to the application
- **Tool-less blade change** designed for quick and easy accessory replacements
- **Universal design** accepts the majority of accessories that are available on the market
- **LED work light** illuminates the tip of the accessory- especially convenient in tight or dark work spaces
- **Ergonomic tool body design** provides a well-balanced tool that is comfortable to use for prolonged periods of time
- **Low battery indicator light** activates when power runs low to avoid inconvenient interruptions during a project
- Dust collection attachment model # [337936](#) (sold separately)
- Download the [CV18DBLP4 Tool Card](#)

Includes:

- Bi-Metal Plunge Cut Saw Blade

Optional:

- [Dust Collection Attachment \(337936\)](#)

Specifications

| | |
|------------------------------|---------------------------------------|
| Voltage | 18V |
| Battery Type Accepted | Hitachi Lithium Ion Slide-Type |
| Batteries Included | No. Sold Separately |

| | |
|-------------------------------------|-----------------------------|
| Batteries Included | No- Sold Separately |
| Charger Included | No- Sold Separately |
| Max OPM | 20,000 |
| Min OPM | 6,000 |
| Oscillating Angle (Degrees) | 1.6 (3.2) |
| Tool-Less Blade Change | Yes |
| LED Light | Yes |
| Low Battery Indicator | Yes |
| Tool Warranty | Lifetime (Tool Body) |
| Lithium Ion Battery Warranty | 2-Year |
| Lithium Ion Charger Warranty | 1-Year |
