

N3808AP 1-1/2" 18-Gauge Cap Stapler

Includes:

- Safety Glasses (875769)
- Contact (Bump Trigger)

Features:

- **Covered by Hitachi's 5-year professional warranty**
- **Lightweight and well-balanced at only 4.8 lbs** for less user fatigue
- **Translucent side-load cap magazine** to easily identify remaining cap quantity and allow for fast and easy cap reloads
- **360 degree adjustable air deflector adjustment** directs the air exhaust in any direction away from the user
- **Accepts** 200 caps and staples from 7/8" to 1-1/2" in staple length
- **Tool-less depth of drive adjustment** for optimal fastener depth to accommodate a variety of applications
- **Ergonomic soft grip handle** adds comfort and a secure grip
- **Integrated belt hook** can be mounted on either side of the stapler to accommodate left or right handed users
- **Quick clear nose with tool-less jam release** reduces down time in case of a jammed staple
