

NT65GBP9 2-1/2" Gas Powered 16-Gauge Angled Finish Nailer

Includes:

- (2) 3.6V 1.5Ah Lithium Ion batteries (326263)
- AC/DC Charger (for car or wall outlets) (UC3SML)
- No Mar Nose Cap (886349)
- Safety Glasses (875769)
- 3mm & 4mm Hex Bar Wrenches (943277, 944458)
- Carrying Case (886608)

Features:

- [Watch the Hitachi Tool Corner video for this gas finish nailer](#)
- **Powered by a gas fuel rod and Lithium Ion battery** for complete portability
- **Freedom from cumbersome air hose and compressor** saves time in setup, during applications, and in job site clean up
- **Lightweight at only 4 lbs** for balance, maneuverability and minimal user fatigue and ideal for overhead and extended use applications
- **Fuel rods can be replenished immediately** upon depletion instead of waiting for a compressor cycle
- **Quick clear nose with tool-less jam release** for easy maintenance and reduced downtime
- **Double lock fuel compartment** latches securely and keeps the fuel rod seated firmly
- **Hitachi's 3.6V Lithium Ion batteries** drive up to 2,000 fasteners per charge
- **Finish nailer fuel rods** power 1,200 shots each
- **Low battery indicator light** alerts the user of battery status to prevent unexpected downtime
- **Elastomer handle** provides comfort and ensures a secure grip
- **Tool-less depth of drive adjustment** for flush drives into various materials
- **1-Hour AC/DC charger with adaptors** for charging in standard wall outlets or in the car
- **Detachable no-mar nose cap** protects work surfaces from scratches or indentations and conveniently snaps onto the side of the magazine for storage
- **Dry fire lockout** prevents blank activation, prolonging tool life and protecting work surfaces from damage
- **Variable position hook** for either left or right-handed users
- **Angled magazine** holds 100 16-gauge fasteners in 1-1/4"-2-1/2" lengths
