

UU240F Universal Miter Saw Stand

Includes:

- Anchor Plates
- Auxiliary Mounting Brackets

Features:

- **Heavy-duty steel construction** can support up to 400lbs
- **Material support extensions (extend 8')** for supporting longer material
- **Accepts up to a 12" sliding compound miter saw** for ultimate flexibility
- **Tool-less height adjustment** of material supports for quick and easy set-up
- **Quick-release mounting brackets** allow for easy mounting and removal of miter saw from the stand
- **Non-marring rubber feet** on mounting brackets prevent surface damage when saw is removed from stand and placed on finished surfaces
- **Installed material stops are adjustable** for repetitive cutting applications
- **Large 8" treaded wheels** make it easy to transport even while the saw is mounted
- **Weights only 50lbs** for stability and easy transport
- Download the [UU240F Tool Card](#)

Includes:

- Anchor Plates
- Auxiliary Mounting Brackets
