

UC18YSL3S 18-Volt Lithium Ion Batteries / Charger Kit

Includes:

- (2) 18V Compact 3.0Ah Lithium Ion Batteries (BSL1830C) (339782)
- Rapid Charger with USB Port (UC18YSL3)

Features:

- **Covered by Hitachi’s 2-Year Lithium Ion battery warranty, and 1-Year Charger Warranty**
- Battery is 3/4" smaller in size than traditional 3.0Ah battery
- Battery is 0.6 lbs lighter than the traditional 3.0Ah battery
- Lithium Ion Battery provides steady level of power throughout use
- Batteries are compatible with Hitachi 18V slide-type power tools
- Battery is 3.0Ah (Amp hour) capacity for longer run time
- Multiplex Protection Circuit prevents from over-load, over-charge & over-discharge to improve safety and ensure a long battery lifetime
- Charger comes with a USB port that can charge smartphones and other mobile devices for added convenience
- Charger designed to cool the battery during the charging cycle to prevent overheating
- Charger uses color light indicators to clearly indicate the stage of battery charge
- Charger rapidly charges Hitachi Lithium Ion slide-type batteries

Includes:

- (2) 18V Compact 3.0Ah Lithium Ion Batteries (BSL1830C) (339782)
- Rapid Charger with USB Port (UC18YSL3)

Specifications

Part Number - Charger	UC18YSL3
Item Weight	1.35 lbs
Dimensions (LxWxH)	4-17/32" x 7-9/32" x 3-1/16"
Voltage	14.4Volts-18 Volts
Item Package Quantity	1
Battery Cell Type	Lithium Ion
Charging time BS1815X	15 min
Charging time BSL1830C	30 min
Charging time BSL1860	38 min
USB Port	Yes
Cooling Fan	Yes

Charge - Discharge Circles BSL1815X	1,000
Charge - Discharge Circles BSL1830C	1,500
Charge - Discharge Circles BSL1860	1,500
Charging Current - BSL1815X and BSL1830C	6.0/4.0 A
Charging Current - BSL1860	8.0 A
Power Input	195 W
Warranty	1-Year

Part Number - Battery BSL1830C (339782)

Voltage Type	18V / Lithium Ion Slide
Battery Amp Hour	Compact 3.0Ah
Weight	0.86 lbs
Batteries Included	2
Warranty	2-Year
