

SV13YA 5" Variable Speed Random Orbit Finishing Sander

Includes:

- Sanding Paper 5", A-P120 (5 Pieces) (308519)
- Dust Bag (323004)

Features:

- **Powerful 230W 2.0 Amp motor** provides an impressive 7,000-12,000 RPM to achieve super smooth finishes
- **Soft elastomer covered grip** reduces vibration and provides a comfortable hold
- **Best in class sanding performance** removing more stock in less time
- **Dust sealed switch** helps to extend tool life
- **Complete ball bearing construction** for smooth, precise operation
- **Hook and loop pad system** allows you to change sanding sheets quickly and easily
- **Integrated dust collection bag** ensures a cleaner environment, keeps the work surface clean and extends the life of the sanding paper
- **Weighing only 3 lbs** and standing 5-11/16" high, this compact sander is easy to use for long periods of time
- Download the [SV13YA Tool Card](#)
