

NT65M2(S) 2-1/2" 16-Gauge Finish Nailer with Air Duster

### Includes:

- Safety Glasses (875769)
- 1/4" NPT Male Plug (190001)
- No Mar Tip (881751)
- Carrying Case (885676)

### Features:

- [Watch the Hitachi Tool Corner video for this finish nailer](#)
- **Equipped with a non-slip elastomer grip trigger**
- **Ergonomically designed simple flip actuation switch** for easy transitions between bump fire or sequential fire modes
- **Integrated air duster button** allows air from the compressor to bypass the nailing function and expel air from a hole in the front of the nailer allowing the user to clear away dust and debris from the work surface
- **Tool-less, easy-to-clear nose** for quick and simple nail extraction should a nail jam during use
- **Tool-less depth of drive dial** allows the user to easily adjust the drive depth for a professional finish
- **360 degree, fully adjustable exhaust port** directs air exhaust away from the user during use
- **3.7 lbs, lightweight and well-balanced** for minimal fatigue and increased maneuverability
- **No-mar tip** protects the work surface from damage
- **Elastomer grip** adds comfort and provides a secure hold
- **Accepts** 16-gauge fasteners ranging from 1" up to 2-1/2"
