

TCS51EAP 20" Rear Handle Chain Saw

Includes:

- 20" Bar (0.325" Pitch)
- 20" Chain (0.325" Pitch)

Features:

- **50.1 cc PureFire® two-stroke engine** meets emissions levels without sacrificing power, adding weight, or creating maintenance headaches
- **Decompression valve** makes starting easy
- **Adjustable automatic oiler** so user can adjust oil flow to the bar and chain
- **Bumper spikes** for increased leverage and faster cuts
- **Spring type anti-vibration system** increases user comfort and reduces fatigue
- **Primer bulb and auto return choke** for easy start up and warm up
- **Strong double pole brake handle** for safety and ease of mind
- **Side access chain tensioner** makes adjusting chains quick and easy
- **Tool-less access to air filter** makes cleaning the filter a breeze
- **Covered** by Tanaka's two-year commercial use warranty, seven-year consumer use warranty and one-year rental use warranty
- [Download the TCS51EAP Hangtag](#)
