

G18DBALP4 18V Brushless Lithium Ion 4-1/2" Angle Grinder (Tool Body Only)

Includes:

- Grinding Wheel
- Side Handle
- Spanner Wrench
- Tool-less wheel guard

Features:

- **Brushless motor** increases battery life, tool durability and overall efficiency
- **Ergonomic, lightweight and compact design** at only 5.3 lbs (with 5.0Ah battery) and 12.8" long
- **Auto-mode option** automatically adjusts the RPM down when the tool is not in use, resulting in a decrease in noise and vibration, while also sparing the life of the battery for optimum performance
- **Dust and water resistant** for added convenience and extended tool life
- **Kick-back protection** to ensure user safety when grinder is operating through tough applications
- **Paddle switch** is non-locking and turns off when released for added user safety
- **Soft start** for smooth start-ups and longer gear life
- **Low battery indicator** monitors the status of the battery to reduce down time
- **Compatible with** all Hitachi 18V Lithium Ion slide-type batteries and chargers (sold separately)
- Download the [G18DBALP4 Tool Card](#)

Includes:

- Grinding Wheel
- Side Handle
- Spanner Wrench
- Tool-less wheel guard
