

NR90AD(S1) 3-1/2" Paper Collated Framing Nailer

Includes:

- Safety Glasses (875769)

Features:

- **New head guard design** allows for quicker disassembly during tool maintenance
- **Lightweight at 7 lbs and well-balanced** for ease of maneuverability and less user fatigue
- **Selective actuation switch** allows for quick transitions between sequential and contact nailing with the simple flip of a switch
- **Accepts 2" up to 3-1/2" paper collated framing nails**
- **Tool-less depth adjustment dial** allows the user to countersink or flush drive nails into a variety of materials without having to adjust the pressure at the compressor
- **Two-piece anodized aluminum magazine** makes repairs or replacements easy and with minimal expense
- **Two-step nail loading** makes fastener replenishments quick and easy, reducing downtime
- **Open nose design** provides easy access to clear nail jams
- **Rubber grip over-mold** on the handle and trigger provides a secure grip, while additional rubber grip on the backside of the nailer adds comfort when nailing in overhead applications
