D13VF 1/2" 9-Amp Drill, EVS Reversible

Includes:

Features:

- Side Handle (981205)
- Injection molded plastic carrying case (319543)
- Chuck key (319527)
- **9 Amp motor**, forcible power combines high speed with optimal torque
- **Max torque of 416.6in-lbs**, ideal for high torque applications
- **Form fit palm grip**, designed to comfortably fit in hand for improved control with minimal vibration
- **Contractor-grade cast aluminum gear housing**, adds durability and efficiently dissipates heat
- **Double gear reduction**, provides higher torque while reducing gear strain
- **Electronic variable speed control trigger, designed for easy two-finger operation with a lock-on feature** for continuous operation
- **Oversized reversible switch and trigger lock**, conveniently located for continuous uninterrupted operation
- **Removable side handle**, increases operability and control
- **Belt hook**, convenient for between use and preventing the tool from unexpected falls
- **Optional** angle attachment, ideal for hard to reach applications
- Download the D13VF Tool Card

Includes

- Side Handle (981205)
- Injection molded plastic carrying case (319543)
- Chuck key (319527)

Optional:

- Hook (A) (317676)
- Angle Attachment Assembly (319528)

Specifications

Tool Weight	4.6lbs
Chuck	1/2" Keyed
Keyless Chuck	No
No-load Speed	0-850rpm
Max Torque	416.6in-lbs
Amps	9
Capacity: Wood	2-1/8"
Capacity: Steel	1/2"

Capacity: Hole Saw4"
