

# C10FSHC 10" Sliding Dual Compound Miter Saw with Laser Marker

## Includes:

- 10" 40T TCT Saw Blade (310878)
- Dust Bag (998845)
- Vise Assembly
- 13mm Box Wrench (940543)

## Features:

- **Covered by Hitachi's 5-year Warranty**
- **Zero rear clearance slide system** allows the saw head to slide along fixed rails for effortless and smooth movement, while easily fitting on a benchtop without compromising the range of motion
- **Ergonomic upfront bevel lock** for quick and easy adjustments of the bevel angles without having to reach around to the back of the saw
- **Powerful 15 Amp motor** to tackle the toughest cutting jobs with ease
- **Tool-less laser marker** for cutting accuracy that can be easily adjusted to the users preference
- **Equipped with LED light** for added visibility and a safer work environment in low light situations
- **0-60° miter angle to the right and 0-55° miter angle to the left** for ultra-flexibility
- **0-48 degree bevel angle range to the right & left** allows user to quickly and easily flip the saw blade, and leave the material in place
- **Positive stops with miter detent override** can provide faster transitions between miter angles
