

C7ST 7-1/4" Circular Saw

Includes:

- Blade (320843)
- Case (333557)
- Box Wrench (940543)

Features:

- [Watch the Hitachi Tool Corner video for this circular saw](#)
- **Powerful 15-Amp motor** to tackle tough cutting jobs
- **Blade speed of 6,000 RPM** for smoother, faster, burn-free cuts
- **Soft grip handle** for reduced vibration and increased comfort
- **Integrated dust blower** for a clear line of sight and clean work surface while cutting
- **Dust chute** efficiently expels dust, chips and debris
- **Low center of gravity** keeps the saw close to the work piece for more accurate cuts
- **Single handed depth of cut lever** for quick and simple adjustments
- **Single handed bevel adjustment** with small set screw to set the saw perfectly square
- **Lightweight at just 9.5 lbs** for superior maneuverability
- **Covered by Hitachi's 5-year warranty**
- **Download the [C7ST Tool Card](#)**

Includes:

- Blade (320843)
- Case (333557)
- Box Wrench (940543)
