

UU240R Fold & Roll Universal Miter Saw Stand

Includes:

- Anchor Plates
- Auxiliary Mounting Brackets

Features:

- **Single action set-up and take-down** for quick and efficient use
- **Heavy-duty tubular steel construction** can support up to 300lbs
- **Material support extensions (extend 8')** for supporting longer material
- **Accepts up to a 12" sliding compound miter saw** for ultimate flexibility
- **Height adjustment knobs** for material supports allow for quick and easy set-up
- **Quick-release mounting brackets** allow for easy mounting and removal of miter saw from the stand
- **Non-marring rubber feet** on mounting brackets prevent surface damage when saw is removed from stand and placed on finished surfaces
- **Adjustable material stops** stabilize material for repetitive cutting applications
- **Large 8" rubber treaded wheels** make it easy to transport over rugged jobsite terrain even while the saw is mounted
- **Weighs only 63 lbs.** for easy transport and storage
