- 4mm Hex Bar Wrench (944458)
- 3mm Hex Bar Wrench (943277)

Features:

- [Watch the Hitachi Tool Corner video for the gas brad nailer](#)
- **Powered by a gas fuel rod and Lithium Ion battery** for complete portability
- **Freedom from cumbersome air hose and compressor** saves time in setup, during applications and in jobsite clean up
- **Lightweight at only 4 lbs** for balance, maneuverability and minimal user fatigue and ideal for overhead and extended use applications
- **Fuel rods can be replenished immediately** upon depletion instead of waiting for a compressor cycle
- **Quick clear nose with tool-less jam release** for easy maintenance and reduced downtime
- **Double lock fuel compartment** latches securely and keeps the fuel rod seated firmly
- **Hitachi's 3.6V Lithium Ion batteries** drive up to 2,000 fasteners per charge
- **Fuel rods** power 1,200 drives each
- **Low battery indicator** light alerts the user of battery status to prevent unexpected downtime
- **Elastomer handle** provides comfort and ensures a secure grip
- **Tool-less depth of drive adjustment** for flush drives into various materials
- **1-Hour AC/DC charger** with adapters for charging in standard wall outlets or in the car
- **Detachable no-mar nose cap** protects work surfaces from scratches or indentations
- **Variable position hook** accommodates either left or right handed users
- **Straight magazine** holds 100 18-gauge fasteners in 5/8" to 2" lengths
- **Reload indicator** for easy visual recognition of low nail quantities to avoid dry firing
